Hiller Ford

HERE'S THE INFORMATION YOU REQUESTED.

Only One Truck Earned The Right To Be
The Next F-150.

THE 2004 FORD F-150: "THE BEST PICKUP TRUCK EVER."

—Detroit Free Press

Never before have so many new levels of toughness, driveability and comfort been crafted into a full-size pickup. The new F-150 is the first-and-only pickup to offer:

- 4 doors in each of 3 cabs (Regular Cab, SuperCab and SuperCrew)
- 3-valve engine technology (5.4L Triton® V8)
- Wheel-torque-based electronic throttle control in a full-size pickup
- Overhead rail storage system
- A 5.5' box on a SuperCab
- Power second-row windows on SuperCab

The Next F-150 also offers best-in-class*:

- Towing capacity
- Payload**
- Low-end torque***
- Cargo box volume
- Interior volume
- Frame strength

It is also the quietest full-size pickup interior* and, of course, it's always Built Ford Tough.

*Class is full-size pickups under 8,500 GVWR, starting below \$45,000. **When properly equipped. ***The 5.4L Triton 3-valve V8 achieves 80% of peak torque at 1,000 RPMs.

F-150 Lineup Overview

XL

Crushing the old standards.

In addition to the standard features on every F-150 model, listed below are a few of the key features that distinguish XL.

- 4.6L Triton® V8 or optional 5.4L Triton® V8 with 3-valve technology
- Versatile 40/20/40 front seat
- Durable black vinyl floor covering
- Lockable tailgate with class-exclusive Tailgate Assist®
- 17-inch wheels and tires

MSRP: **\$22,010**

EPA estimated mpg: **15 city/19 highway****

STX

A sporty, sleek look at the right price.

In addition to the standard features on every F-150 model, listed below are a few of the STX features that differentiate it from XL.

- Sleek monotone appearance with body color front and body color rear step bumper and grille surround
- AM/FM Stereo with single CD player
- Optional audiophile system with 6-disc in-dash CD changer and subwoofer
- Unique 17" sport cast aluminum wheels

MSRP: **\$22,660***

EPA estimated mpg: **15 city/19 highway****

XLT

The F-150 XLT redefines versatility and affordability.

In addition to the standard features on every F-150, listed below are a few of the features found on XLT in addition to those provided with STX.

- Chrome front and chrome rear step bumper
- Standard Overhead Rail Storage System on SuperCab and SuperCrew (without power moonroof)
- Power windows, locks and mirrors
- Rear window with fixed privacy glass

MSRP: **\$24,970***

EPA estimated mpg: **15 city/19 highway****

FX4

The high-powered option for 4X4 enthusiasts, off the road and on the high

In addition to the standard features on every F-150, listed below are a few found on FX4 in addition to those provided with XLT.

- Off-road tuned shocks
- Optional captain's chairs with flow-through center console and floorshifter
- Optional 18" machined cast aluminum wheels
- Black leather-wrapped steering wheel
- Skid plates and limited slip axle

MSRP: **\$30,485***

EPA estimated mpg: **14 city/18 highway****

LARIAT

The ultimate hybrid of power and luxury.

In addition to the standard features on every F-150, listed below are a few of the Lariat features that are unique to Lariat.

- Power heated side mirrors with external mirror-mounted turn signal indicators
- Brushed nickel grille insert with chrome surround
- 18" bright aluminum wheels
- Warm woodgrain appearance interior accents and trim

MSRP: **\$30,245***

EPA estimated mpg: **15 city/19 highway****

* Starting Manufacturers Retail Price, excluding taxes, title and registration fees. Optional equipment not included.

** EPA estimated city/highway mpg based on base engine/transmission configuration.

† Always wear your safety belt and secure children in the rear seat.

**The New F-150 is designed to do just one thing...
Never let you down.**

Best-In-Class Payload And Towing Capability...**

Towing leadership is second nature to the new F-150. It offers the highest available conventional towing ability in its class*. You'll need some optional equipment like the Trailer Tow Package, but if you tow that much, you probably already know that.

We Engineered An Even More Powerful Triton V8...

The new 5.4L 3-valve Triton® V8 puts out more of what you want. More power. 15% more than before. And it delivers instant gratification when you accelerate, with best-in-class low-end torque. How? The 5.4 L Triton® 3-valve V8 achieves 80% of peak torque at 1,000 RPMs. But when it gets down to it, we know that what matters is how it makes you feel. Powerful.

The Sound Of The Quietest Pickup.* Period.

A total sound engineering approach helped create the quietest full-size pickup*. A stiffer frame and body, shear body mounts, thicker side glass, door seals, special sound insulation and Quiet Steel work together to reduce unwanted noise and vibration. Sound nice?

And We Built The Strongest F-150 Frame Yet.

The new F-150 frame is fully boxed with through-rail welded crossmembers and hydroformed front rails. The result is a frame that is twice as strong torsionally. The 2004 F-150 has the strongest frame in its class.* With it, the new F-150 delivers a truck that drives better and works harder than ever before.

* Class is full-size pickups under 8,500 GVWR, starting below \$45,000

** When properly equipped.

Quiet Steel is a registered trademark of MSC.

Options

After You Catch Your Breath, We'll Give You The Full Tour. Your local Ford Dealer has just the right truck for you. And there are a host of options to tailor it perfectly to your needs.

Overhead Rail Storage System Our class-exclusive Overhead Rail Storage System allows owners to customize their interior storage options. Integrated into the headliner and extending from the rearview mirror to just behind the 2nd-row seats are two brushed-aluminum rails capped by front and rear stationary light clusters and a large, removable storage bin module. Available in XLT, FX4 and Lariat. Additional bins and inserts are available through your Ford Dealer.

Reverse Sensing System Optional on F-150 XLT, FX4 and Lariat is the Reverse Sensing System which is designed to detect objects behind the vehicle and then audibly alert you to their presence. (Requires Trailer Tow Package.)

Deluxe Heated Seats Package Optional on F-150 Lariat, heated front seats are practically indispensable on those cold mornings. Included is a memory function for two separate drivers. Just push the button and watch as the driver's seat and the accelerator and brake pedals adjust to your pre-programmed positions.

Why Ford Credit?

At Ford Credit, auto financing is our specialty. Whether you purchase or opt for a Red Carpet Contract, we offer a range of terms and features that make you experience hassle-free. Contact your local Ford Dealer or visit us on the web at www.fordcredit.com.

Roadside Assistance

Every new Ford includes the assurance of a 24-hour emergency Roadside Assistance Program provided during the 3-year/36,000-mile limited warranty period. Ask your Ford Dealer for complete details on this program, which includes such services as fuel delivery, tire change, jump start, or even help when you're locked out of your vehicle.

New Vehicle Limited Warranty

Under the New Vehicle Limited Warranty, you receive bumper-to-bumper coverage for 3 years/36,000 miles with no deductible. You also receive corrosion perforation coverage for five years with unlimited mileage and no deductible. Ask your Ford Dealer for a copy of the warranty.
