CAUSE A STIR in the 2008 Ford Edge.

Fair warning, the bold design and flexibility of Edge – especially the stylish new Limited – tend to attract lots of admirers. Also, Edge's award-winning¹ 3.5L V6 engine delivers a best-in-class² 265 hp at 6250 rpm. Intense exhilaration is likely to arise from this energetic performance blended with Edge's sports sedan-like handling. And new this year, our exclusive Ford SYNC™ option connects you to Edge like never before. Are you ready?

The 2007 Ford Edge is the "Most Appealing Midsize Multi-Activity Vehicle" in the J.D. Power and Associates 2007 Automotive Performance, Execution and Layout (APEAL) Study.SM

**APEAL
AWARD
RECIPIENT**

¹Ward's 10 Best Engines of 2007. ²Medium 5-Passenger CUV class with standard 6-cylinder engine.

Edge Limited in Blazing Copper Metallic with available equipment

Edge's 3.5L Duratec 35 V6 engine serves up a best-in-class 265 hp at 6250 rpm and 250 lb.-ft. of torque at 4500 rpm. It also gets an EPA-estimated 24 mpg highway in FWD and was named one of *Ward's 10 Best Engines of 2007*.

[PERFORMANCE ▶](#) | [DESIGN ▶](#) | [FLEXIBILITY ▶](#) | [ENTERTAINMENT ▶](#) | [SPECS ▶](#)

Breathe EASY.

The dual-plenum intake manifold inside Edge's powerful 3.5L Duratec 35 V6 engine helps deliver strong peak torque (250 lb.-ft. at 4500 rpm), while the high-flow intake port helps achieve its high level of peak power performance (265 hp at 6250 rpm). At the same time, a roller-chain cam drive, chosen for its low-friction operation, helps Edge meet strict Ultra Low Emissions Vehicle II (ULEV II) emissions standards,¹ which helps keep the air cleaner. And we can all feel good about that.

¹ULEV II is a rating approved by the California Air Resources Board. Vehicles sold in federally regulated states meet the Environmental Protection Agency's Tier 2/Bin (5) emissions standards.

Edge SEL in Vapor Silver Metallic with available equipment

Hug corners. ▲

Driving Edge is such a blast, you may find yourself searching for more corners. The optional, on-demand All-Wheel-Drive (AWD) system further enhances the experience. It constantly delivers the appropriate amount of torque to all 4 wheels, reacting before wheel slippage can even occur. In fact, working with the standard AdvanceTrac® with RSC® (Roll Stability Control™), the AWD system can transfer torque front to rear and side to side to keep the vehicle moving even if only one wheel has traction.

PERFORMANCE ▶ | DESIGN ▶ | FLEXIBILITY ▶ | ENTERTAINMENT ▶ | SPECS ▶

Shift your day into HIGH GEAR.

Fun to drive is an understatement. Climbing behind the wheel in Edge will make your day – every day. Revel in its confident, sports sedan-like handling. Delight in its maneuverability and agility. Wind your way through even the most sinuous streets without a care. All thanks in part to its standard AdvanceTrac with class-exclusive RSC and its specially tuned fully independent suspension, including a multilink rear with outboard-mounted shocks. Like to feel that get-up-and-go thrust when you put your foot down on the accelerator? Edge delivers. Its excellent launch and acceleration performance are the result of pairing the 265-hp V6 engine with a sophisticated 6-speed automatic transmission that actually adapts to your driving style. The transmission also gives the vehicle flat-tow capability¹, so you can take Edge along on motor home vacations.

¹See your Owner's Guide for details.

Edge SEL in Blazing Copper Metallic with available equipment

Strong backbone. ▲

The BlockerBeam® front bumper underride protection system, side-intrusion door beams, energy-absorbing door-trim panels and bumper-to-bumper flow-through rails all help Edge manage energy and enhance its performance in the event of various types of collisions.

All 6 airbags standard. ▼

Every Edge is equipped with front-seat side airbags, plus the dual-stage front airbags in our Personal Safety System® and the side-curtain airbags in our patented Safety Canopy® System.

PERFORMANCE ▶ | DESIGN ▶ | FLEXIBILITY ▶ | ENTERTAINMENT ▶ | SPECS ▶

Trust its INNATE STABILITY.

Edge has been named a "Top Safety Pick" by the Insurance Institute for Highway Safety (IIHS) for achieving the highest rating in front and side crash tests and the rear impact test. Of course, it's no surprise since every Edge comes equipped with an extensive array of safety and security features including our AdvanceTrac® with class-exclusive RSC® (Roll Stability Control™). AdvanceTrac with RSC is an electronic stability enhancement system that actually measures what other manufacturers' systems ignore or can only estimate. A vehicle-roll motion sensor directly measures the vehicle's roll-rate at least 100 times per second, helping determine when and how the Anti-lock Brake System (ABS), traction control and yaw control will be engaged. It helps in many situations, such as during an emergency maneuver or when driving on slippery or uneven surfaces.

Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. For more information on AdvanceTrac with RSC, visit fordvehicles.com.

Edge Limited in Redfire Metallic with available equipment, including new power liftgate

SPECS ▶

Prepare to TURN HEADS.

Eye-catching design is just the beginning. After the sporty stance, sleek lines and crisp accents of Edge draw you in, its remarkable interior flexibility will keep you coming back for more. Whether you need room for your latest home decorating find or for a group of friends and their weekend-getaway luggage, Edge offers the perfect solution with up to 69.0 cu. ft. of available cargo space or seating for up to 5 adults. New for 2008, a power liftgate is optional on SEL and Limited, making it even easier to access Edge's generous rear cargo area. For maximum curb appeal, you can add some serious shine with the stunning new 20" chrome-clad wheels, optional on Limited. Have you been searching for a crossover with striking style *and* supreme adaptability? Welcome to the Edge.

Sharp styling. ▲

The Ford 3-bar chrome grille and quad-beam halogen headlamps lead off the bold exterior design that's unmistakably Edge.

Distinctive details. ▼

The use of textured aluminum and chrome accents throughout the interior enhances the bold, spirited appeal of Edge.

EXCLUSIVE
VISTA
ROOF.™

Edge SEL with optional Charcoal Black leather-trimmed interior and available equipment

All-weather enjoyment. ▲

The available Vista Roof's wind diffuser and thick roof glass help maintain the peace. The vent position allows fresh air in while keeping bad weather out – even during a torrential downpour.¹ And dual power sunshades provide close to 100% sun blockage, helping keep the cabin cool and protect against the sun's ultraviolet (UV) rays.

PERFORMANCE ▶ | DESIGN ▶ | FLEXIBILITY ▶ | ENTERTAINMENT ▶ | SPECS ▶

Treat yourself to PANORAMIC VIEWS.

There's nothing like the freedom of wind-in-your-hair, sun-on-your-skin, open-air driving to bring a smile to your face, right? Get ready to grin. And we're talking the ear-to-ear kind – courtesy of the delightfully invigorating Vista Roof.™ Optional on SEL and Limited, Vista Roof offers you the only 2-panel panoramic view available in the class. In fact, it encompasses over 39% of Edge's total roof area, creating a daylight opening that's over 3 times larger than the average traditional moonroof. We're fairly certain that makes it over 3 times as much fun too, but we'll leave it up to you to prove. Vista Roof provides a maximum total-air opening of over 4.6 sq. ft. in its fully open position. That's a lot of space for you to fill with amazing new views. Dual power sunshades are also included for those moments when you'd rather not look skyward – may they be rare.

¹The Vista Roof vent position has been proven to handle 1.2 gallons of water per minute at a 15% incline.

Edge Limited with optional new Interior Appearance Package

Relaxing recline. ▲

Edge's standard 60/40 split, fold-flat rear seat features seatbacks that recline to a full 42° angle for increased comfort.

Surprising detail. ▼

The rear seat also includes a fold-down center armrest with 2 cupholders, so your rear-seat passengers can get nice and comfy.

PERFORMANCE ▶ | DESIGN ▶ | FLEXIBILITY ▶ | ENTERTAINMENT ▶ | SPECS ▶

Share your new HOT SPOT.

With such amazing style *and* comfortable seating for up to 5 adults, your new Edge is bound to be the ride of choice among friends and family, especially when you go for the new Limited with its optional Charcoal Black and Red leather-trimmed Interior Appearance Package (above). As for comfort, Edge's seat designs are so sophisticated, they actually help reduce pressure points and fatigue, actively supporting your body without feeling restrictive. Strategically placed sound-dampening materials, carefully contoured sideview mirrors and many other thoughtful details play their parts in creating the remarkable level of peace inside every Edge. The available Premium Package includes leather-trimmed seating, Dual-zone Electronic Automatic Temperature Control, heated front seats and sideview mirrors, a particulate air filter and more. Make the most of every drive.

Edge Limited with Camel leather-trimmed interior and available equipment

EasyFold™ only ▲ on Edge.

The EasyFold rear seatback release allows you to create a flat loadfloor in seconds by simply pushing and holding a button in the rear cargo area. This class-exclusive feature, part of the Seating Flexibility Package, is standard on Limited and optional on SEL. You can also use a manual release on the side of the seat to lower the rear seatbacks in every Edge.

PERFORMANCE ▶ | DESIGN ▶ | FLEXIBILITY ▶ | ENTERTAINMENT ▶ | SPECS ▶

Exercise your INTERIOR OPTIONS.

Need to have an amazing find shipped back home because it doesn't fit in your ride? Not when you have the Edge. Just fold down the 60/40 split fold-flat rear seat and the available fold-flat front-passenger seat, and you're ready to transport items up to 8 ft. long. The Seating Flexibility Package, standard on Limited and optional on SEL, gives you the 6-way power, fold-flat front-passenger seat as well as the class-exclusive EasyFold rear seatback release and leather-trimmed seating throughout. With the rear seat folded flat, you can carry 69.0 cu. ft. of cargo. And when you have people in the rear seat, you can still stash 32.2 cu. ft. of gear behind them. An optional Rear Cargo Management System adds concealed storage under the rear cargo area's loadfloor. And, new for 2008, an available power liftgate makes it even easier to load all your great finds.

Most versatile. ▶

The center console inside Edge offers more possible storage configurations than any other vehicle in the class, thanks to a multipurpose set of movable dividers. Large enough to store a PDA, MP3 player, purse and even some types of laptop computers, it also has a power point and an auxiliary audio input jack for your MP3 player.

Edge Limited with Camel leather-trimmed interior and available equipment

Crowd pleasers. ▲

The optional Headrest DVD Entertainment System,¹ which may be combined with the available Vista Roof, features 2 separate DVD players with 7" screens, CD/MP3 playback capability and more. The available Rear-Seat DVD Entertainment System includes an 8" flip-down screen, 2 sets of wireless headphones and a remote control.

[PERFORMANCE ▶](#) | [DESIGN ▶](#) | [FLEXIBILITY ▶](#) | [ENTERTAINMENT ▶](#) | [SPECS ▶](#)

Experience the ease of INTUITIVE DESIGN.

There's a certain confidence that comes with feeling in control of a situation. Edge gets it. And gives it. The driver-centric design of Edge's instrument panel puts its intuitive controls within easy reach, including the available touch-screen DVD-based Navigation System with its new voice activation, which makes it even easier for you to find new places. To keep you entertained along the way, the available Audiophile[®] Sound System features a 6-disc in-dash CD changer and 9 speakers including an 8" subwoofer and a 190-watt amplifier. Add the SIRIUS Satellite Radio² option to any of Edge's sound systems and use your complimentary 6-month subscription to get started surfing over 130 channels of coast-to-coast sports, news, entertainment and 100% commercial-free music. Cross-country road trip? Listen to your favorite channel all the way.

Link your words. ▲

Introducing the new standard for in-vehicle communications. Ford SYNC, developed in association with Microsoft®, is an available, voice-activated, customizable media system that fully integrates your Ford Edge with most Bluetooth-enabled mobile phones and most portable digital media players. Go to SyncMyRide.com for more details.

PERFORMANCE ▶ | DESIGN ▶ | FLEXIBILITY ▶ | ENTERTAINMENT ▶ | SPECS ▶

Exclusive new Ford SYNC™

BLUETOOTH® VOICE-ACTIVATED, HANDS-FREE PHONE CALLING

MULTILINGUAL INTELLIGENCE – Communicate with SYNC in English, French or Spanish
UNINTERRUPTED CONNECTIONS – In the middle of a call on the way to or from your vehicle? Keep on talking; once paired with your Bluetooth-enabled phone, SYNC automatically transfers calls as you enter and exit • **RING-TONE SUPPORT¹** – Have specific ring tones assigned to your friends and family? SYNC can play them to help you identify incoming calls • **SUPPORT FOR UP TO 12 BLUETOOTH-ENABLED PHONES** – The system can be paired with as many as 12 different phones at once, so your entire family can get in SYNC • **INSTANT VOICE RECOGNITION** • **AUTOMATIC PHONE BOOK TRANSFER¹**

VOICE-ACTIVATED, HANDS-FREE DIGITAL MEDIA PLAYING

SUPPORT FOR POPULAR PLAYERS AND FORMATS – SYNC works with most popular digital media players, as well as USB drives • **SIMPLE VOICE COMMANDS** – Access your music library by speaking commands like “Play All,” “Similar Music” or simply “Play Artist” plus the name of an artist • **USB DEVICE CHARGING** – SYNC automatically charges most devices while your vehicle is running • **BLUETOOTH STREAMING AUDIO¹** – SYNC can play music files saved to your Bluetooth-enabled mobile phone as well • **PODCAST AND AUDIO BOOK SUPPORT**

Driving while distracted can result in a loss of vehicle control. Only use mobile phones (even with voice commands) and other devices not essential to driving when it is safe to do so.

¹Requires a Bluetooth-enabled phone with this capability. Microsoft is a registered trademark of Microsoft Corporation. The Bluetooth word mark is a registered trademark owned by the Bluetooth SIG, Inc.

New Vehicle Limited Warranty

We want your Ford Edge ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile Bumper-to-Bumper Coverage, 5-year/60,000-mile Powertrain Warranty Coverage, 5-year/50,000-mile Safety Restraint Coverage, and 5-year/unlimited-mile Corrosion (Perforation) Coverage — all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

For more assurance: The 5-year/60,000-mile powertrain limited warranty is fully transferable, has no deductible, and provides you with an additional 2 years or 24,000 miles of coverage — on select components, including the engine and transmission — beyond the standard 3-year/36,000-mile Bumper-to-Bumper Coverage. Roadside Assistance is extended to 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

For a purchase or lease, the Ford **Extended Service Plan (ESP)** gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for an ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

Genuine Ford Accessories are designed and engineered specifically for Ford vehicles. Visit our website at fordaccessoriesstore.com to use the Accessorizer, and to learn about complete accessory details and purchase instructions.
