

NISSAN INTELLIGENT MOBILITY™

Nissan Intelligent Mobility guides everything we do. We're using new technologies to transform cars from mere driving machines into assistants. Together the journey is more confident, connected, and exciting. Whether it's cars that assist in the driving task, or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.

SEE SENTRA® COME TO LIFE

Go to NissanUSA.com and find an interactive brochure for Sentra® and every Nissan in the lineup. Available on desktop or smartphone, it's the full product story – including demos, videos, and complete info on trims, colors, and accessories.

Or download the Interactive Brochure Hub app on your tablet. **Free on the App Store® and Google Play.™**

NISSAN ROADSIDE ASSISTANCE

Your peace of mind is on us. For 36 months or 36,000 miles, whichever comes first, your new Nissan is covered for the following:¹

- Flat-tire changes
- Trip Interruption benefits
- Jump starts
- Vehicle lockouts
- Emergency fuel delivery

Follow Nissan on:

SENTRA® SR TURBO

SR Turbo's 1.6-L DIG™ turbocharged engine gives it over 50% more horsepower than other Sentra models.¹ The Turbo-exclusive CVT with Manual Shift Mode gives you options on how to put that power in your hands. Just grip the leather-wrapped steering wheel, while 17" aluminum-alloy wheels carve up the road.

SR Turbo Xtronic CVT® with Manual Shift Mode

SR Turbo-specific Tuned Steering and Suspension

11.7" Vented Front Disc Brakes

A BOLDER RIDE THROUGH LIFE

Nissan Intelligent Mobility connects you to your drive like never before. You'll make every move with greater awareness and get a little help when you need it most. All of this gives you more confidence and, ultimately, the freedom to embrace the joy of being behind the wheel. This is how driving was always supposed to be.

- Available features include:
- Automatic Emergency Braking³
 - Blind Spot Warning⁴
 - Intelligent Cruise Control⁵
 - Rear Cross Traffic Alert⁶

¹50% more horsepower than CVT-equipped Sentra® which produces 124 hp. ²29/37 city/highway MPG for Sentra S, SV, SR, and SL with CVT. 27/33 city/highway MPG for Sentra SR Turbo. Fuel Economy based on targeted 2018 EPA fuel economy estimates. EPA data not available at time of publication. Targeted fuel economy estimate based on Nissan internal testing results, subject to EPA confirmation. Actual mileage may vary with driving conditions — use for comparison only. ³AEB cannot prevent accidents due to carelessness or dangerous driving techniques. It may not provide warning or braking in certain conditions. Speed and other limitations apply. See Owner's Manual for details. ⁴Blind Spot Warning is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. ⁵Intelligent Cruise Control is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. ⁶Not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner's Manual for details. Alcantara® is a registered trademark of Alcantara S.p.A. Corporation.

EFFICIENCY THAT GIVES YOU MORE OUT OF EVERY DRIVE

Sentra impresses with excellent fuel economy thanks to the 1.8-liter engine teamed with a virtually gearless CVT transmission that helps maximize efficiency and performance. And the low rolling resistance tires reduce friction to help you move, so you can enjoy up to 37 MPG highway.²

Low Rolling Resistance All-season Tires

Twin Continuously Variable Valve Timing

Low Drag Coefficient

37 MPG HIGHWAY²

nismo®

PASSION WITHOUT A REDLINE

Since 1984, NISMO has been propelled by maverick engineering with one goal in mind: ultimate Nissan performance. Featuring a track-inspired aerodynamic exterior, NISMO-tuning, and an impressive list of styling and performance upgrades, Sentra NISMO ensures your drive will never be the same again.

- 1.6-L DIG™ turbocharged engine
- 18" NISMO aluminum-alloy wheels
- Front sport seats with red trim bolsters and NISMO badging
- Chrome exhaust finisher
- Alcantara®-appointed interior

¹Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device's capability. Refer to connected device's Owner's Manual for details. Late availability for some features. **Driving is serious business and requires your full attention.** Only use features and connected devices when safe and legal to do so. Some features, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Only use Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Some services and features are provided by independent companies not within Nissan's control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party changes that may be required

for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates or data usage may apply. The Nissan names, logos and slogans are trademarks owned by or licensed to Nissan Motor Co. Ltd. or its North American subsidiaries. Other trademarks and trade names are those of their respective owners. For important safety information, system limitations, and additional operating and feature information, see dealer, Owner's Manual, or NissanUSA.com/connect/important-information. ²Use the Text Messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Text rates and/or data usage may apply. ³Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ¹S 6MT models get 130 horsepower and 128 lb-ft of torque. ²Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ³Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device’s capability. Refer to connected device’s Owner’s Manual for details. Late availability for some features. **Driving is serious business and requires your full attention.** Only use features and connected devices when safe and legal to do so. Some features, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Only use Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle’s location. Some services and features are provided by independent companies not within Nissan’s control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners’ or agents’ control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party changes that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan’s or its partners’ or agents’ control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider’s subscription agreement, terms and conditions and privacy statements available at service provider’s website. Text rates or data usage may apply.
