

2006 MARK LT

A DOMINANT PERSONALITY.

The Lincoln Mark LT combines pure utility and confident handling with contemporary design and a wealth of special features. There is nothing quite like it. With an aggressive stance and abundant chrome, Mark LT doesn't just attract attention, it demands attention.

Yet Mark LT's commanding presence is in keeping with its immense capability. Powered by a 5.4L, 300-hp, 3-valve V-8 engine and built on a fully boxed steel frame, Mark LT can tow up to 8,900 lbs.* and carry up to 1,620 lbs.* That means it's capable of taking you, your friends, your gear and even your yacht or RV almost anywhere.

In other words, the Lincoln Mark LT humbles everything else on the road.

*When properly equipped.

THE STYLISH AND THE SUBSTANTIAL.

The Mark LT interior is artfully trimmed in complementary colors. Premium leather covers the seating surfaces, center console and steering wheel. Real ebony wood and bright chrome accents harmonize with the leather trim. Yet

this is a very useful cabin with plenty of storage and well-designed controls. Note the thick-rim steering wheel and leather-wrapped shifter. Mark LT is a near perfect combination of the attractive and the utilitarian.

MORE OF WHAT PLEASES MOST.

1. Lincoln Mark LT's available bed extender is easily fitted to the rear of the cargo box to accommodate extra-long cargo.

2. Available bed-rail bars complement Mark LT's chrome accents while providing a place to tie down cargo.

3. Steering wheel switches regulate speed control and audio system operation. The Audiophile AM/FM Stereo features speed-compensated volume, a subwoofer and 6-disc in-dash CD changer with MP3 capability.

4. An Overhead Rail Storage System houses front and rear reading lights as well as a large storage bin. Snap-in accessories customize the system for your vehicle. An available Rear-Seat DVD Entertainment System with 7" flip-down LCD screen can be fitted to the rear of the Overhead Rail.

5. Electronic Automatic Temperature Control regulates heating and cooling. Heated front seats take the sting out of cold mornings.
