Malibu LTZ Sedan with Titanium UltraLux and leather-accented heated front seats and available features.

ADAPTABLE IN ANY LIGHT.

Malibu Maxx offers the versatile roominess of a sport utility vehicle within a smartly packaged midsize sedan. **NO SEDAN IN ITS CLASS CAN MATCH THE VERSATILITY INSIDE**

- On the inside, Maxx's interior has been stretched **THE CHEVY MALIBU MAXX*** without affecting the overall length, thanks to a longer wheelbase — six inches. This translates into better rear-seat legroom than any Lexus SUV†
- The lightweight liftgate opens to 41.0 cubic feet of cargo space with the rear seats folded down.**
- The low bumper height helps make loading and unloading easier.

*Based on 2006 GM Mid-Car Sedan segment and latest available competitive information. †Based on 2006 competitive information. **Cargo and load capacity limited by weight and distribution.

A FIXED REAR SKYLIGHT with dual retractable sunshades allows natural light to enter the Malibu Maxx rear passenger compartment for a greater open-air feeling.

SEGMENT-EXCLUSIVE REAR-SEAT DVD ENTERTAINMENT SYSTEM* is available on Malibu Maxx models. The system includes a CD player, monitor, remote control and two sets of wireless headphones (batteries included).

AN ADJUSTABLE REAR CARGO PANEL system is standard in Malibu Maxx. It can be set to three different heights, plus a fourth rearward position that forms a table with the liftgate open — perfect for picnicking or tailgating.

MAXX VERSATILITY

MALIBU MAXX LTZ IN CASHMERE ULTRALUX AND LEATHER-ACCENTED SEATING

SUV VERSATILITY. SEDAN COMFORT.

“WITH THE MAXX, A [32-INCH] TELEVISION WILL SLIDE NEATLY INTO THE REAR OPENING.” — CAR-DATA.COM* Malibu Maxx carries cargo and passengers with ease, thanks to a roomy, 106.0 cubic foot interior.† ■ Malibu Maxx provides best-in-class rear-seat legroom — more than Honda Accord or Toyota Camry.** ■ The Multi-Flex rear seats fold down and provide approximately seven inches of mobility. Even the front passenger seat folds flat (on select models) to help accommodate longer items. ■ Hard composite plastic covers the seatbacks when they’re folded flat for enhanced durability and quicker cleanups. ■ An auxiliary cargo-area outlet keeps power within reach.

IMPORTANT INFORMATION

NEW VEHICLE LIMITED WARRANTY

GM vehicles registered in the U.S.A. are covered for 3 years/36,000 miles (whichever comes first). The complete vehicle is covered, including tires, towing to your nearest Chevrolet dealership and cosmetic corrosion resulting from defects. Repairs will be made to correct any vehicle defect, and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

CORROSION PROTECTION

Chevrolet vehicles are designed and built to resist corrosion. All body and sheet metal components are warranted against rust-through corrosion for 6 years/100,000 miles (whichever comes first). Application of additional rust-inhibiting materials is not required under the corrosion coverage and none is recommended. See your Chevrolet dealer for terms of this limited warranty.

ASSEMBLY

Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ENGINES

Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES

Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

GM PROTECTION PLAN

The GM Protection Plan is the only vehicle service contract endorsed by General Motors. The GM Protection Plan offers mechanical coverage for the parts and labor costs of repairing covered vehicle components against failure — even if it results from wear and tear (except in Kentucky). Depending on the level of coverage, additional benefits may include Roadside Assistance, alternate transportation or towing. The GM Protection Plan also offers basic maintenance coverage for specific maintenance needs. Ask your dealer about the GM Protection Plan, or visit www.gmprotectionplan.com for coverage information and details.

ONSTAR

OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1-888-4ONSTAR (1-888-466-7827) and visit onstar.com for OnStar's Terms and Conditions, Privacy Policy, and system limitations and details. For coverage maps, visit onstar.com and click on "OnStar Services Coverage Map."

IMPORTANT WORDS ABOUT THIS CATALOG

We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Unless otherwise noted, all claims based on 2006 GM Mid-Car Sedan segment and latest available competitive information. Excludes other GM vehicles.

A NOTE ABOUT CHILD SAFETY

Always use safety belts and the correct child restraint for your child's age and size. Even in vehicles equipped with Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. Be sure every occupant is properly restrained. See the vehicle Owner's Manual and child safety seat instructions for more information.
